FOR IMMEDIATE RELEASE

Color Compass Corporation Appoints Lisa Krishka as Vice President of Operations – Canada

Edmonton, Alberta – October 30, 2026 – Color Compass Corporation is pleased to announce the appointment of **Lisa Krishka as Vice President of Operations – Canada**, effective October 30, 2026.

Lisa brings more than **20 years of operational leadership experience** to the position, including valuable experience working within an auto collision centre. Her knowledge of collision repair operations, combined with her leadership experience and diverse skill set, provides her with a strong understanding of both the operational demands of the business and the needs of the customers Color Compass serves.

In her new national role, Lisa will provide leadership and strategic direction to Color Compass operations across Canada. Her focus will include strengthening operational consistency, supporting regional and branch leadership, improving processes and efficiencies, developing people, and ensuring the organization has the operational structure required to support continued growth.

As Vice President of Operations – Canada, Lisa will also work closely with sales, business development and other areas of the organization to better align operational execution with Color Compass Corporation's overall business strategy. Her leadership will be instrumental in creating greater consistency nationally while recognizing the individual needs of the markets and customers Color Compass serves.

"Lisa brings a tremendous combination of operational knowledge, leadership and dedication to this position," said Jamie Corbeil, President of Color Compass Corporation. "She understands our business from an operational perspective, but more importantly, she understands the importance of people. Lisa has consistently demonstrated a commitment to developing strong teams, improving the way we operate and supporting our customers. Her experience, professionalism and leadership make her an excellent choice to lead our operations nationally, and I am excited to see the impact she will have across Color Compass."

Lisa's appointment represents another important step in strengthening Color Compass Corporation's national leadership structure and building greater alignment across its Canadian operations. Her focus will be on creating an operational environment where **people, processes and customer service work together**, helping Color Compass continue to deliver value and dependable support to customers across Canada.
